CONCEPT

It is not a cava. Not a Champagne either. We have no words to describe our best creation at 1188 meters of altitude. On the slopes of Sierra Nevada..

PARAMETERS

Alcoholic grade: 12,5°

TASTING NOTES

Pale yellow color, with very fine bubbles. On the nose we find marked fruit aromas, notes of pastries and nuts. On the palate it is smooth, well integrated bubbles, fresh, enveloping and expressive.
